UNDER THE FOG OF ADDICTION 5

“INSIDE THE DEGENERATIVE MIND OF A TROUBLED SOUL DESTROYED BY THE EVILNESS OF RED CURRY PANCAKE PASTE ADDICTION”

With the support of WWWG Productions, this book aims to shed light on the devastating impact of addiction on Emil's already fragile mental state, a reality starkly illustrated through his recent art therapy class creations.

It is crucial for young people to recognize the dangers of such a path and to understand that what may seem appealing on the surface can lead to profound consequences. Mister Emil asserts that his situation should not be classified as an addiction; rather, he describes it as a unique practice involving

the freebasing of Red Curry Pancake Paste.
He acknowledges that he enhances this concoction with a small amount of menthol extract to flavor of the standard mixture, which remains readily available at FamilyMart Stores throughout the Ward.
Emil passionately argues that this method serves as a scientific approach to organically modify, or as he insists, to fine-tune his magnetic frequencies.
He believes this alteration enables him to potentially breach the magnetic membrane barrier that he claims divides our reality from what he describes as the expansive realms of the lower levels of the Multiverse.

Attention to the vibrant new generation and devoted fans of Emil: it is crucial to be aware that the New Tulsa Government has announced its intention to classify the Red Curry Pancake Paste/Mixture, along with other substances such as bath salts and Captain Crunch Cereal, as “Class A” illegal drugs.

This decision marks the beginning of a stringent campaign against these substances, which includes the imposition of severe, long-term internment at a FEMA Re-Training Facility for those caught in possession.

As you navigate these changes, keep in mind the GIS-GIS Mantra:

“Be cool, stay in school, chew gum, and always keep an eye on the parking meters!” This mantra serves as a reminder to remain vigilant and responsible in these challenging times or as the Ward's patron saint, Mrs. Nancy Reagan, would plead, just say "NO!"
